

# On-call station

## Information sheet

you'll need to get to the station within **approximately 5 minutes**

## Shoeburyness

is an on-call fire station staffed by firefighters who are available to respond to emergencies when their pager alerts.

Training night: Monday 2–3 hours

On an **average weekly basis** how often are we needed?

**4**  
per week

Call outs vary depending on the time of the year, but on average Shoeburyness crews attend 4 incidents across the whole week.

On average how long am I likely to be called out for? Approximately 1 hour

How much on average could I earn as an on-call firefighter?

**5000**

Earnings vary depending on the hours of cover you provide and how busy the station is, but the average on-call firefighter's earnings will be £5,000 per annum, which is paid monthly.
